Subject: Acceptance of the Application Package for RFI/JTD Amendment for Frank R. Bowerman Landfill, Irvine, CA (SWIS No. 30-AB-0360)

Dear Ms. Jackson:

On February 18, 2025, the Orange County Solid Waste Program – Local Enforcement Agency (LEA) received a permit application package from OC Waste & Recycling (OWCR) to amend the Joint Technical Document (JTD) for Frank R. Bowerman (FRB) landfill. This JTD Amendment has been submitted as a follow-up to the directives given to OCWR (operator) that was identified as part of the 5-year permit review report for FRB landfill dated September 22, 2023 as well as additional comments received from the LEA in April/June 2024.

The application package satisfies all criteria in the California Code of Regulations, Title 27 (27 CCR), Section 21665(c) as all of the LEA comments have been adequately addressed. Therefore, the application is hereby accepted/filed by the LEA as of March 18, 2025. In compliance with 27 CCR, Section 21660.1(b), please post the attached LEA prepared Public Notice for the JTD Amendment at the facility's bulletin board and on OCWR's website for a minimum of 10 days.

If you have any questions, please contact me at srajagopal@ochca.com or by phone at (714) 433-6270 and/or Soheil Afshari, LEA's Sr. Civil Engineer at safshari@ochca.com or by phone at (714) 433-6271.

Sincerely,
