# REGIONAL RECYCLING AND EDIBLE FOOD RECOVERY GRANT (RREFR)

## About the Grant Program

The Regional Recycling and Edible Food Recovery (RREFR) grant is providing a competitive five-year grant program to expand Orange County edible food recovery infrastructure in support of County and local jurisdiction Integrated Waste Management Act waste diversion mandates.

---

## Eligible Projects

- New Edible Food Recovery programs that can provide expansion of Edible Food Recovery in areas of the County not currently covered or lacking services
- Expansion of existing Edible Food Recovery capacity programs
- Data tracking software and equipment
- Education and Outreach Programs specific to edible food recovery and distribution
- Supplies related to edible food recovery and distribution
- A full list of eligible projects can be found in the application guidelines and instructions

---

Complete information regarding the grant opportunity, including the grant application package, can be found at: [oclandfills.com/grants](https://oclandfills.com/grants)
