

## SB 1383 Self-Hauler/Junk Hauler/Removal Attestation

### Business Information

**Business Name:** \_\_\_\_\_

**Phone:** \_\_\_\_\_

**Signature:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Property Address:** \_\_\_\_\_

I, \_\_\_\_\_, hereby certify and affirm that all trash, debris, and other waste generated at the above-referenced property has been collected, removed, and either properly disposed of, recycled, or transported to a duly authorized and approved facility in full compliance with Senate Bill 1383 (SB 1383) requirements, all applicable CalRecycle regulations and mandates, and all relevant State of California and local laws and ordinances.

Pursuant to Title 14, Division 7 of the California Code of Regulations and SB 1383, requirements are established for the proper separation, management, record keeping, and reporting of recyclable materials, organic waste, and landfill trash. These regulations support statewide efforts to increase recycling and composting, reduce landfill disposal, and ensure compliance with California's environmental sustainability and waste reduction standards.

CalRecycle provides templates for record keeping, which can be accessed at <https://www2.calrecycle.ca.gov/Docs/Web/118866>.

Additional information regarding SB 1383 and the regulations can be found at <https://calrecycle.ca.gov/organics/slcp/>.
