

YOUR GUIDE TO ORANGE COUNTY'S

HOUSEHOLD HAZARDOUS WASTE COLLECTION CENTERS

WHAT IS HOUSEHOLD HAZARDOUS WASTE (HHW)?

Products, such as paints, cleaners, oils, batteries and pesticides that contain potentially hazardous ingredients require special care when you dispose of them. See back side for more details.

Leftover household products that contain these ingredients:

- ✘ corrosive
- ✘ toxic
- ✘ ignitable
- ✘ reactive

NEED TO KNOW BEFORE VISITING THE HHWCC (HOUSEHOLD HAZARDOUS WASTE COLLECTION CENTERS)

15 gallons (125 lbs) MAX per vehicle, per trip

Non contaminated oil containers will be returned, upon request

Must be in original containers (except for antifreeze, fuels, and motor oil)

All containers must have lids, be sturdy, non-leaking, labeled and protected from breakage

Containers larger than 5 gallons: NOT accepted

DO NOT combine different types of waste in a singular container

CHECK OUT THE MATERIALS EXCHANGE PROGRAM

Orange County residents can take home partially used household, yard, and car care products for FREE. You can choose up to five items per week, per household.

Waste accepted from Orange County residents ONLY
